

Savings Through Association

Value in Benefits

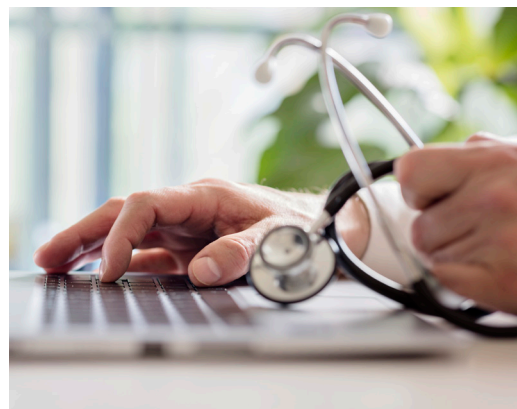

nonstop®

The Value in Benefits (ViB) Program provides quality, affordable health benefits and insurance options for health centers and their employees.

[Nonstop Administration and Insurance Services](#) (Nonstop) partners with ViB to reimagine employee health insurance for CHCs and their employees. ViB and Nonstop support health centers and their workforce through innovative and accessible health insurance plan design. For many health centers, Nonstop significantly reduces premium cost and reduces or eliminates out-of-pocket costs for health center employees.

What is the National Association of Community Health Centers (NACHC)?

The National Association of Community Health Centers (NACHC) was founded in 1971 to promote efficient, high quality, comprehensive health care that is accessible, culturally and linguistically competent, community directed, and patient centered for all.

Nonstop is committed to ensuring the growth and sustainability of the community health center movement – starting with the health and wellbeing of their employees. Together, CHV and Nonstop strive to support health centers and their work towards safeguarding the health center workforce through innovative, better - and more accessible - employee health insurance.

Nonstop Impact Report

In 2019 and 2020, ViB's Nonstop Wellness program saved **15,000 CHC employees and family members across 17 states** **\$12 million in out-of-pocket costs***

and the health centers **\$40 million**** in insurance premiums

*Estimated savings based on employee and dependent consumption pattern.

**This data is a baseline representation of the Nonstop Wellness premiums compared to a mid-level traditional fully-funded health plan and is calculated as part of the Nonstop Wellness renewal process.

CHV operates additional programs on behalf of NACHC, including:

The Value in Purchasing (ViP) Program is the only national group purchasing program endorsed by the National Association of Community Health Centers (NACHC).

Value in Dental (ViD) is the only national pricing program for dental supplies. A partnership with Benco Dental, the largest privately owned dental distributor, ViD offers uniform, discounted rates based on national volume.

Value in Laboratory (ViL) is a partnership with the Texas Association of Community Health Centers and LabCorp. ViL offers health centers discounted rates for LabCorp's reference laboratory services.

Value in Staffing (ViS) is a workforce solution offering health centers discounted rates with permanent placement and locum tenens firms.
